

SH75 Halswell Road Improvements

What	We'll be temporarily closing a road
Where	Kinnaird Place, between Halswell Road (SH75) and Renwick Place
When	Wednesday 19 and Thursday 20 June 2024, between 9am and 4pm

What are we doing?

On Wednesday 19 and Thursday 20 June, we will be working on Kinnaird Place at the intersection with Halswell Road. During this time we'll be locating existing underground services. This work requires a daily road closure, between 9am and 4pm, as shown over the page.

Traffic impacts

The road closure will be in place on Wednesday 19 and Thursday 20 June, between 9am and 4pm. There will be no vehicle access on to Kinnaird Place from Halswell Road and vice versa during this time, so please park on a street nearby if you need to use your vehicle during this time.

Please continue to place your bins on the berms outside your property the night prior to collection, we will coordinate collection with waste management directly.

Outside of our working hours, two way traffic will be reinstated.

Our friendly staff on site can assist with any queries. Footpath access around our work site will be maintained. A temporary 30km/h speed limit will be in place where we are working so we can keep our workers and everyone safe.

Please note: access has been planned for and will be provided for emergency services during this time.

We're sorry for any disruption and thank you for your patience.

CAN WE HELP?

Please contact Fulton Hogan on 0800 ROAD FH (0800 7623 34) Monday to Friday, 8am - 5pm, to discuss any specific access needs such as nurse/doctor visits or Meals on Wheels deliveries to your property. Contact us at anytime if the matter is urgent.

Traffic management layout

This notice outlines the first phase of construction on Kinnaird Place. We will need to return to continue with more work here and will update you, closer to the time, with what this will mean regarding traffic management in this area.
