

SH75 Halswell Road Improvements

What	We'll be temporarily closing a road
Where	Aidanfield Drive, from the intersection with Halswell Road (SH75) to Euphrasie Drive/Bibiana Street
When	Monday 13 May 2024, for about 4 weeks - see over the page for more information

What are we doing?

From Monday 13 May, we will be working at the intersection of Aidanfield Drive and Halswell Road (SH75). Our works will include the removal, upgrade and installation of underground services, drainage and traffic signal ducting, as well as the construction of new kerb and channel, and footpaths. We'll also be building the new road and installing the new traffic lights.

While we are working at the intersection, work may be carried out under extended working hours to complete the intersection as quickly as possible. Due to the road width and traffic volumes in this area, Aidanfield Drive (between Halswell Road and Euphrasie Drive/Bibiana Street) will need to be closed as shown on the map.

Traffic impacts

The road closure will be in place from Monday 13 May for about 4 weeks. There will be no access in or out during this time - please use the signposted detour routes.

Due to the road closure, the number 60 bus route will be detoured. Information about the bus detours and temporary bus stops will be available at the closed stops, or online at www.metroinfo.co.nz/timetables/updates

On-street parking will not be available on Euphrasie Drive during the road closure due to the bus route detour. However, parking will continue to be available in the parking bays.

Our friendly staff on site can assist with any queries. Footpath access around our work site will be maintained. A temporary 30kph speed limit will be in place where we are working so we can keep our workers and everyone safe. *Please note: access has been planned for and will be provided for emergency services during this time.*

Hours of work

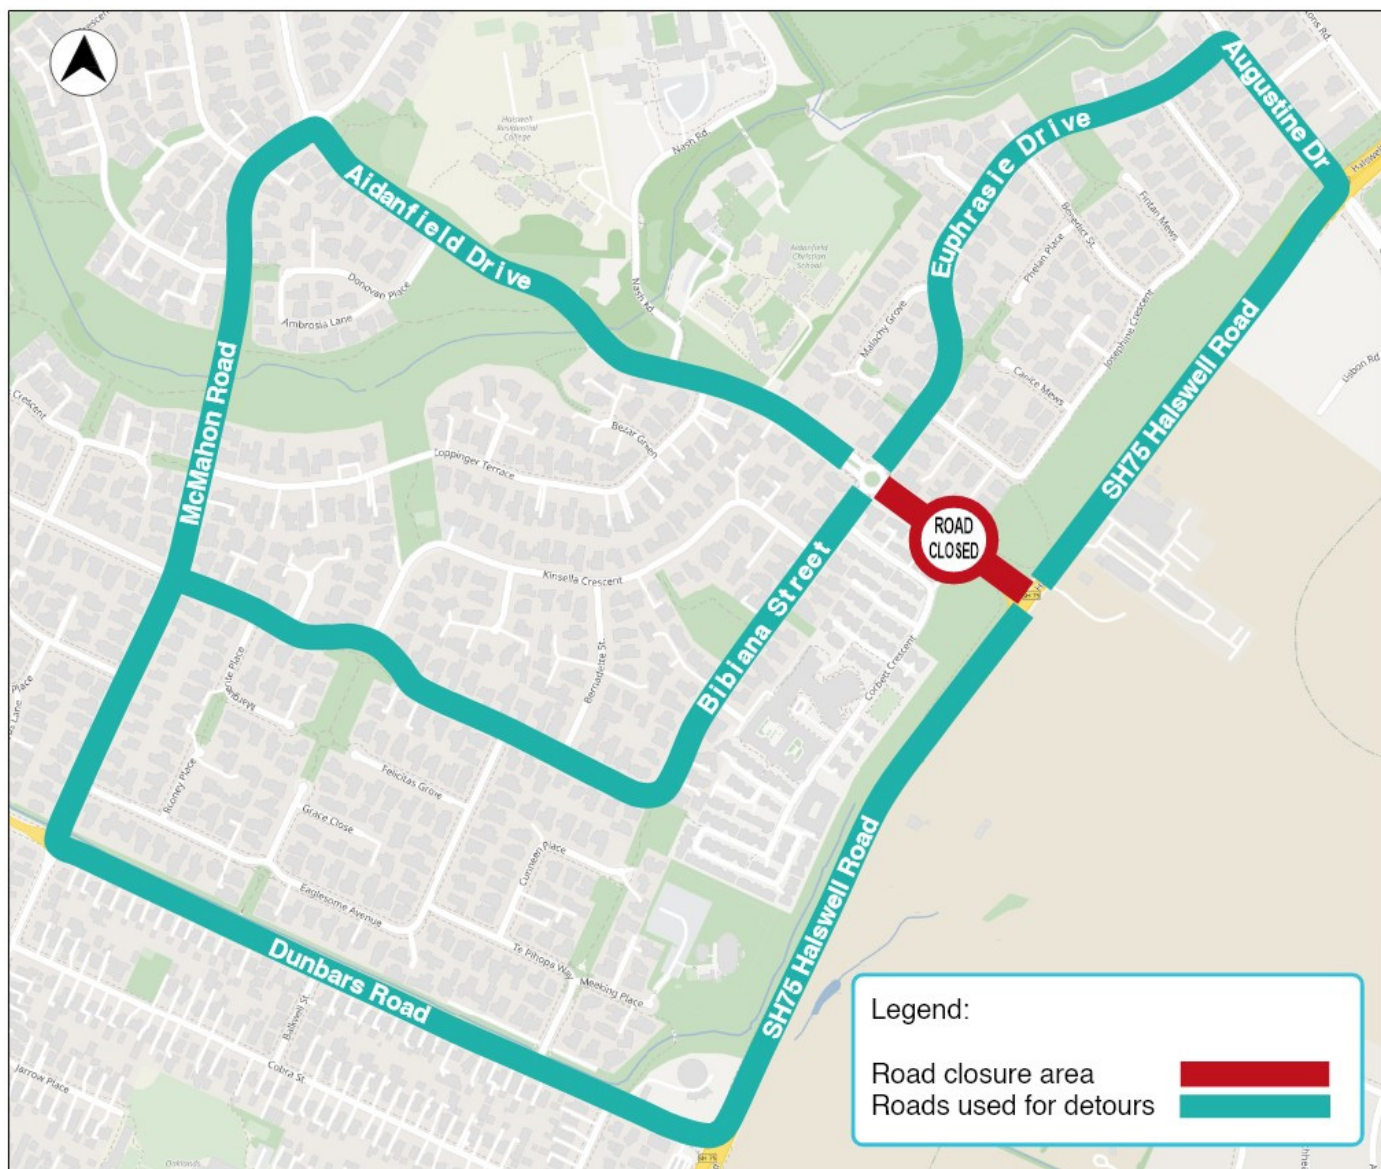

Our normal working hours are Monday to Friday between 7am and 7pm, and on Saturdays if needed. While we are working at the intersection, our working hours may be extended to complete the intersection as quickly as possible.

We're sorry for any disruption and thank you for your patience.

CAN WE HELP?

Please contact Fulton Hogan on 0800 ROAD FH (0800 7623 34) Monday to Friday, 8am - 5pm, to discuss any specific access needs such as nurse/doctor visits or Meals on Wheels deliveries to your property. Contact us at anytime if the matter is urgent.

Detour map

This notice outlines the first 4 weeks of construction at the intersection of Aidanfield Drive and Halswell Road (SH75). We will need to continue with more work here and will update you with what this will mean regarding traffic management in this area.
