

SH75 Halswell Road Improvements

What	We'll be extending an existing one-way traffic management system
Where	Rowley Ave, between Halswell Road and Barrowclough Street
When	Monday 9 September 2024, for about five weeks

What are we doing?

From Monday 9 September, the existing one-way traffic management system on Rowley Ave will be extended to Barrowclough Street, and will be in place for about 5 weeks. Due to another contractor working in the area over the last couple of weeks, we were only able to work in a smaller section of Rowley Ave. The other works have been completed which allows us to extend our site. Following the one-way traffic management system, a full road closure will be needed on Rowley Ave at the intersection with Halswell Road - we'll let you know more about this closer to the time.

Traffic impacts

There will be no access onto Halswell Road from Rowley Ave - please use the signposted detour routes via Barrowclough Street and Hendersons Road.

Our friendly staff on site can assist with any queries. Footpath access around our work site will be maintained. A temporary 30km/h speed limit will be in place where we're working so we can keep our workers and everyone safe.

Please note: access for emergency services will be provided if required.

Driveway access

Access to properties and businesses will be maintained. However, we may need to work in front of driveways from time to time. We'll try to give you plenty of notice of this. However, if you need to get into or out of your property or business and we're in the way, please just talk to one of our friendly staff and we'll make sure you can use your driveway.

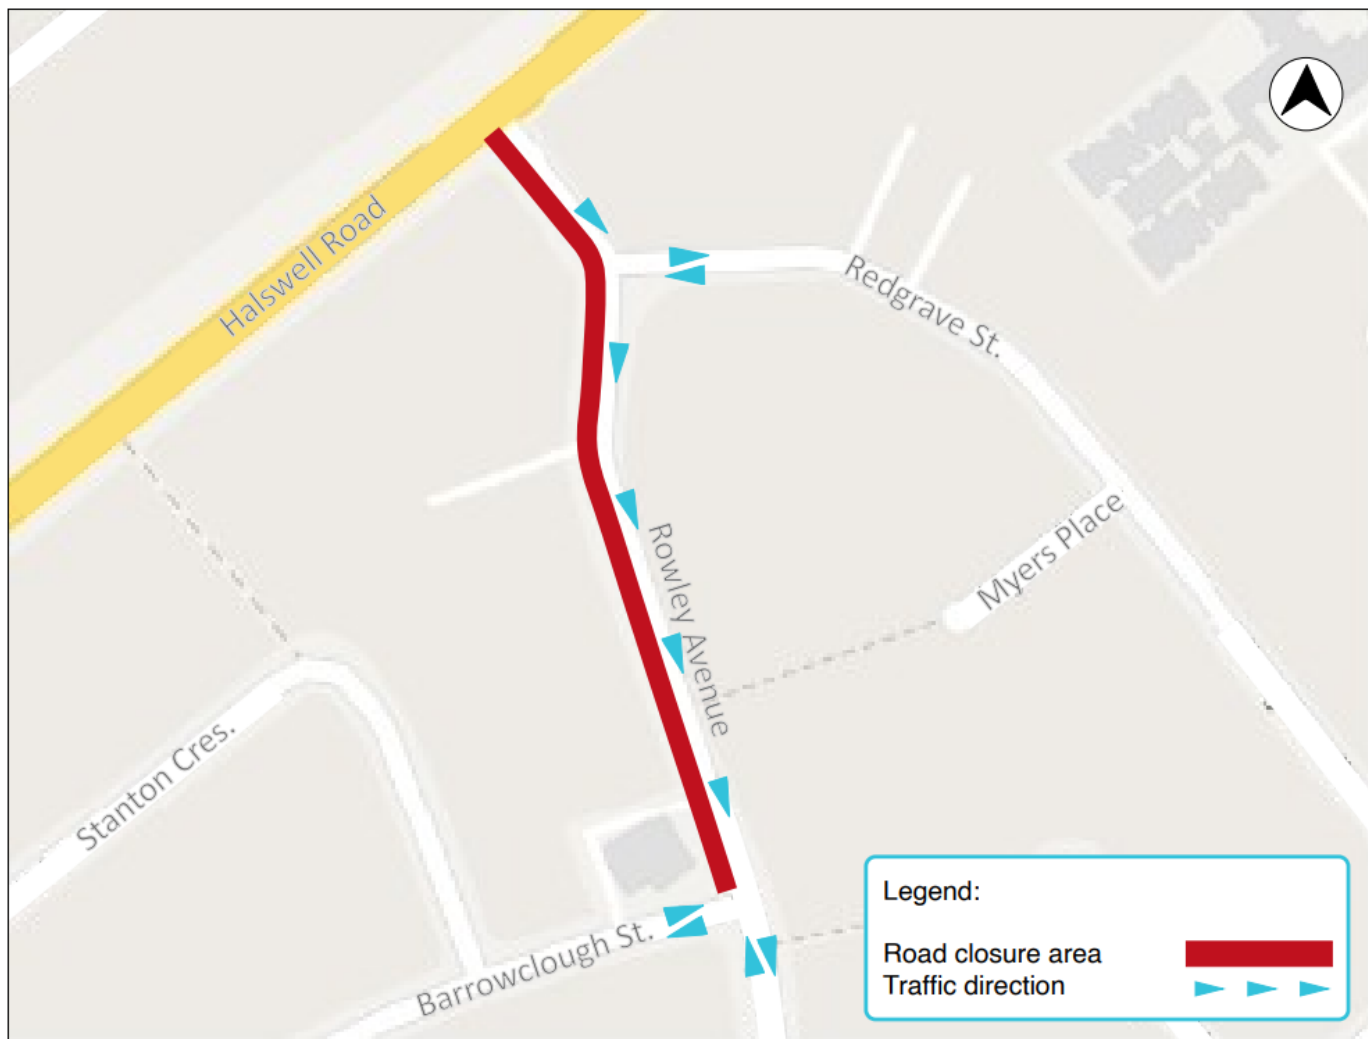

We're sorry for any disruption and thank you for your patience.

CAN WE HELP?

Please contact Fulton Hogan on 0800 ROAD FH (0800 7623 34) Monday to Friday, 8am - 5pm, or email cant.info@fultonhogan.com to discuss any specific access needs such as nurse/doctor visits or Meals on Wheels deliveries to your property. Contact us at anytime if the matter is urgent.
