

SH75 Halswell Road Improvements

What	We'll be temporarily installing a one way traffic management system
Where	Rowley Ave, between Halswell Road and Barrowclough Street
When	Monday 19 August 2024, for about four weeks

What are we doing?

From Monday 19 August, we will be working on Rowley Ave, between Halswell Road and Barrowclough Street. Our works will include the installation of new stormwater pipes and utilities. This work requires a one way traffic management system during this time, as shown over the page.

Traffic impacts

The one way traffic management system will be in place from Monday 19 August, for about four weeks. There will be no access onto Halswell Road from Rowley Ave - please use the signposted detour routes via Barrowclough Street and Hendersons Road.

Our friendly staff on site can assist with any queries. Footpath access around our work site will be maintained. A temporary 30km/h speed limit will be in place where we're working so we can keep our workers and everyone safe.

Following the one way traffic management system, a full road closure will be needed on Rowley Ave at the intersection with Halswell Road - we'll let you know more about this closer to the time.

Please note: access has been planned for and will be provided for emergency services during this time.

Driveway access

Access to properties and businesses will be maintained. However, we may need to work in front of driveways from time to time. We'll try to give you plenty notice of this. However, if you need to get into or out of your property or business and we're in the way, please just talk to one of our friendly staff and we'll make sure you can use your driveway.

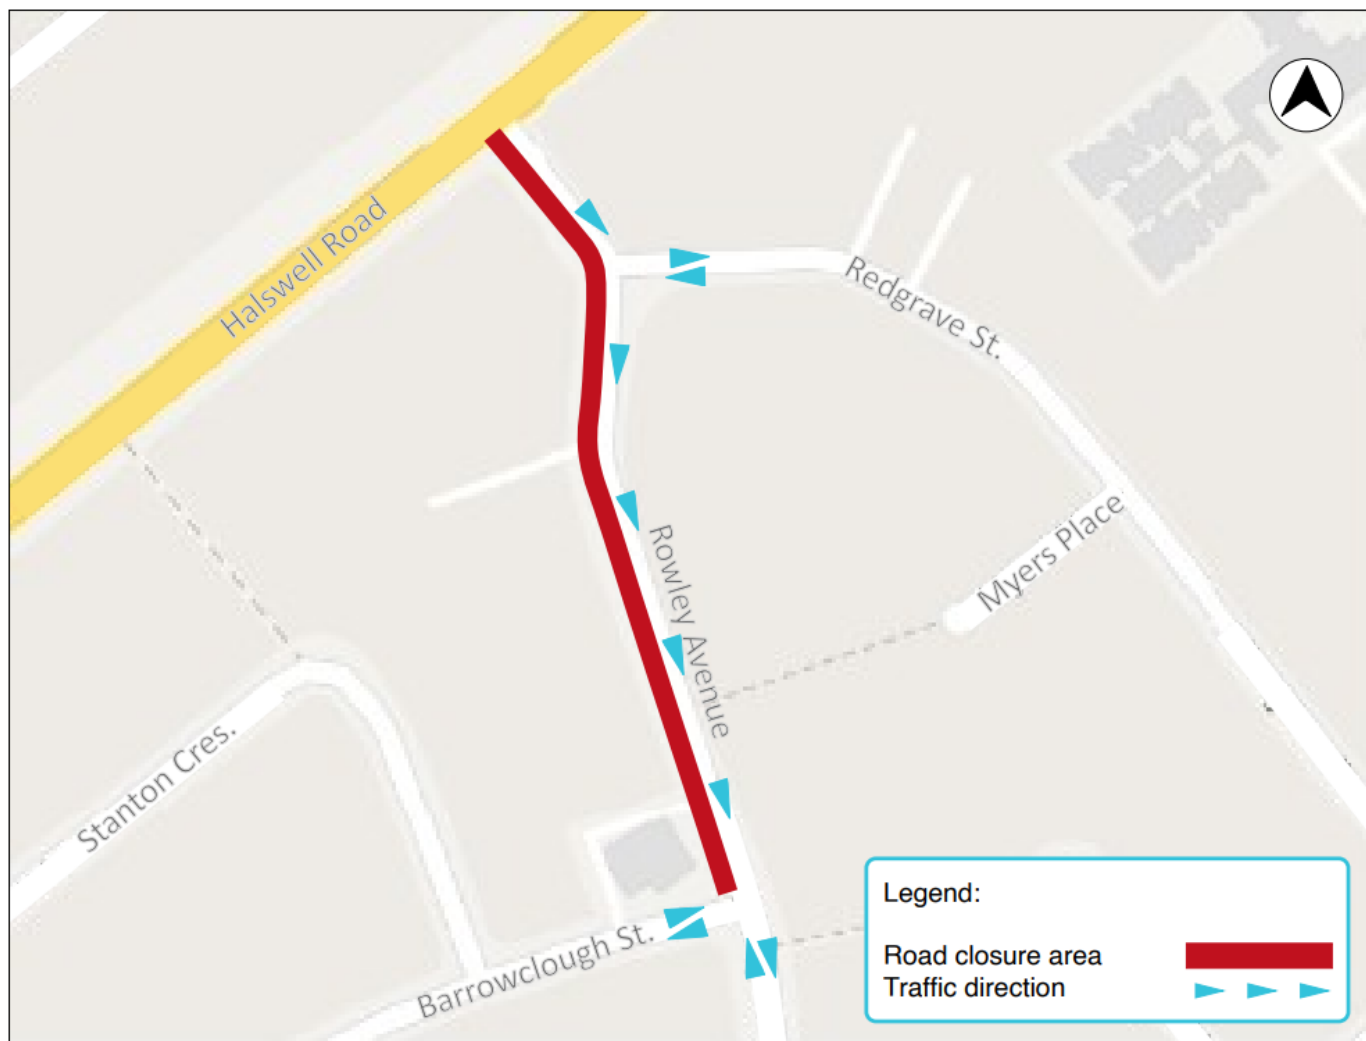

We're sorry for any disruption and thank you for your patience.

CAN WE HELP?

Please contact Fulton Hogan on 0800 ROAD FH (0800 7623 34) Monday to Friday, 8am - 5pm, to discuss any specific access needs such as nurse/doctor visits or Meals on Wheels deliveries to your property. Contact us at anytime if the matter is urgent.
