

SH75 Halswell Road Improvements

What	We'll be temporarily closing a road
Where	Tankerville Road at the intersection with Halswell Road
When	Monday 30 September 2024, for about 2 weeks (including weekends)

What are we doing?

From Monday 30 September, we will be working on Tankerville Road at the intersection with Halswell Road. Our works will include the installation of new stormwater pipes and underground services. Services to houses in the area will not be affected.

Due to the road width in this area, Tankerville Road (at the intersection with Halswell Road) will need to be closed as shown on the map. This work has been scheduled for the school holidays when traffic volumes are lower.

Traffic impacts

The road closure will be in place from Monday 30 September for about 2 weeks. There will be no access onto Tankerville Road from Halswell Road and vice versa during this time - please use the signposted detour routes via Mathers Road/Hoon Hay Road and Mathers Road/Redgrave Street.

Our friendly staff on site can assist with any queries. Footpath access around our work site will be maintained. A temporary 30km/h speed limit will be in place where we are working so we can keep our workers and everyone safe.

Please note: access for emergency services will be provided if required.

Driveway access

Access to properties and businesses will be maintained. However, we may need to work in front of driveways from time to time. We'll try to give you plenty of notice of this. However, if you need to get into or out of your property or business and we're in the way, please just talk to one of our friendly staff and we'll make sure you can use your driveway.

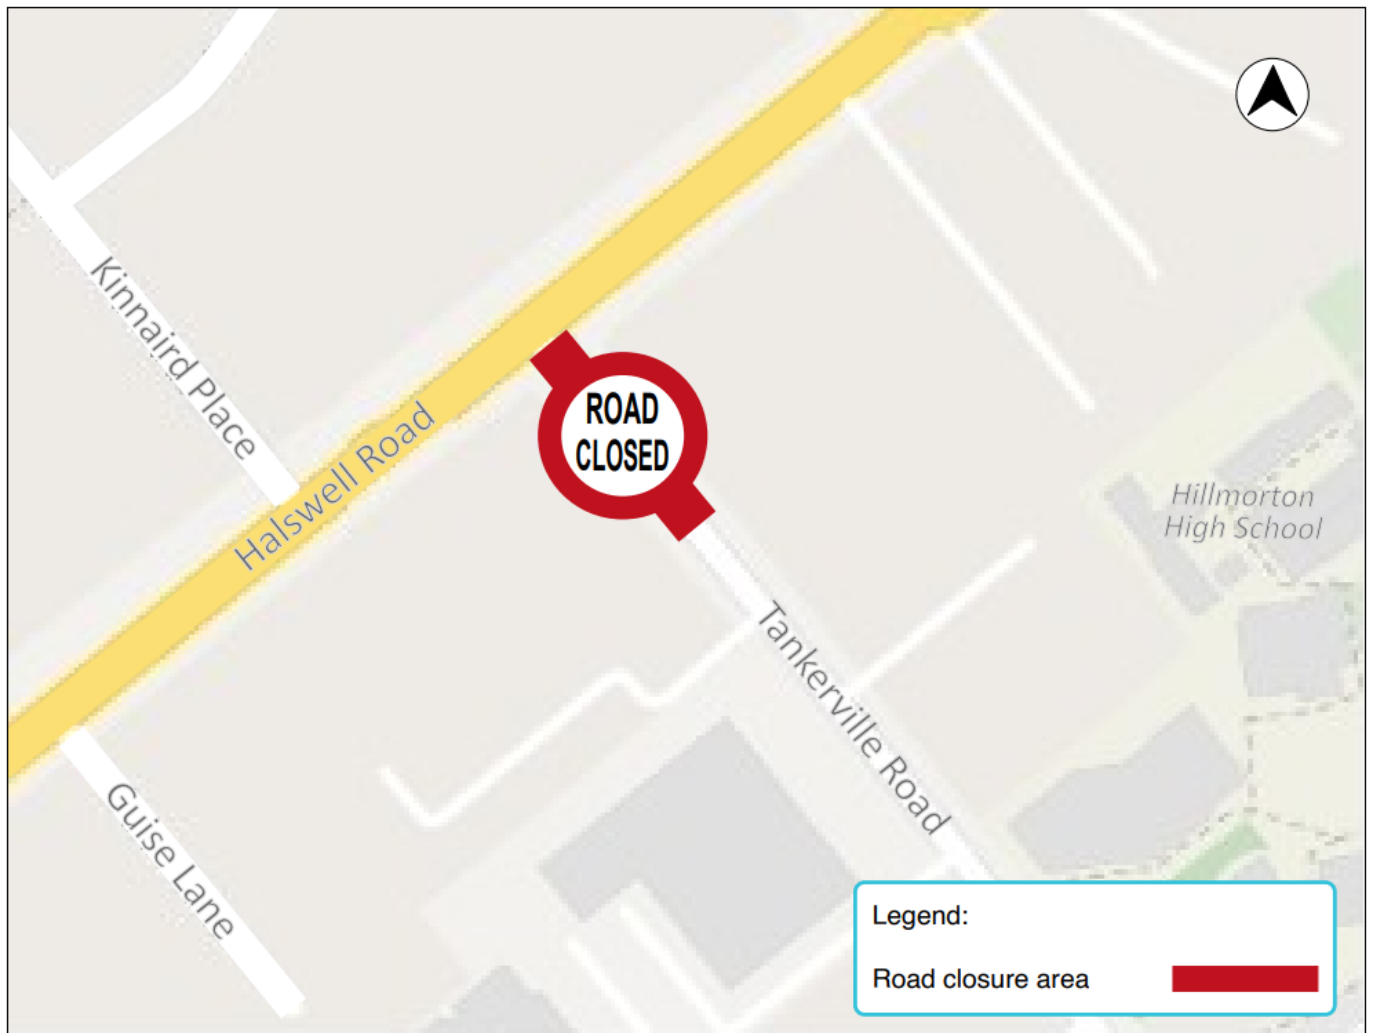

We're sorry for any disruption and thank you for your patience.

CAN WE HELP?

Please contact Fulton Hogan on 0800 ROAD FH (0800 7623 34) Monday to Friday, 8am - 5pm, or email cant.info@fultonhogan.com to discuss any specific access needs such as nurse/doctor visits or Meals on Wheels deliveries to your property. Contact us at anytime if the matter is urgent.
