**MR6A** Application for replacement plate

# MR6A - NOTES

## 1. Your information

The particulars you provide will become part of the Motor Vehicle Register. Collection, dissemination and release of this information is authorised by part 17 of the Land Transport Act 1998. Corresponding information held on other parts of the Land Transport Register may be amended. NZ Transport Agency Waka Kotahi (NZTA) may authorise third parties to have access to your name and address, however you can choose to opt-out of this. For more information, go to [www.nzta.govt.nz/register-information](http://www.nzta.govt.nz/register-information)

Under the Electoral Act 1993, s 263B, the Electoral Enrolment Centre operates an authorised information matching programme with NZTA.

The Privacy Act 2020 provides rights of access to, and correction of, any readily retrievable personal information held about you. Should you wish to exercise these rights please contact us at Private Bag 11777, Palmerston North 4442 or email [info@nzta.govt.nz](mailto:info@nzta.govt.nz)

## 2. Model

State the manufacturer's designation (for example Corolla, Commodore) - not the year of manufacture.

## 3. Handing in plates

If you still have any of the plates, you must hand them in to the plate agent (for example AA, VINZ, VTNZ) with this form. This includes both plates when only one of the pair is damaged.

## 4. Stolen plates

If the plates have been stolen, you must confirm that the theft has been reported to the police by supplying an event number issued by the police or a copy of the police complaint form. Replacement plates won't be issued without this confirmation.

## 5. Identification details

**Individuals** - you should present your current New Zealand driver licence. If you can't present your driver licence then you must provide documents which provide proof of your full name, date of birth and signature (for example passport, or credit card AND birth certificate).

**Companies** - incorporated organisations may have an NZTA customer number which you can use as identification. If you don't have a customer number then you must provide evidence of your NZBN or a certificate of incorporation. If you're unincorporated, you can provide evidence of your NZBN and your driver licence or proof of your full name, date of birth and signature.

For more information go to [www.nzta.govt.nz/NZBN](http://www.nzta.govt.nz/NZBN)

## 6. Address

We may use the address details you've recorded on this form to update the address of any other vehicles you own. We may update your driver licence address for you as well. You can update your address online at [www.nzta.govt.nz/online](http://www.nzta.govt.nz/online), or by calling 0800 108 809.

You must provide a New Zealand physical and mailing address. Overseas addresses are not acceptable.

## 7. Email address

By giving us your email address, you agree that NZTA may communicate with you by that email address. This includes application updates, asking for feedback, reminders and formal notices. For a full list of how we might use your email address go to [www.nzta.govt.nz/email-use](http://www.nzta.govt.nz/email-use) or ask the agent. We recommend using an email address that's unique to you, so only you can see information we send you. Giving us your email is optional. We may update the email address on your driver licence record as well.

## 8. Supplementary and duplicate plates

Don't use this form to apply for supplementary or duplicate plates. Supplementary plates are a temporary solution if you use an object that obscures the vehicle's registration plates. Duplicate plates are for when your registration plates have been damaged, destroyed or lost and you want to keep the same plate number. For more information go to [www.nzta.govt.nz/plates](http://www.nzta.govt.nz/plates), contact LicenSys on 0800 REMAKE (736 253) or visit their website [www.licensys.com](http://www.licensys.com)

## 9. Plates for trailers, motorcycles and mopeds

Plates for these types of vehicles are limited to 5 characters (numbers and letters). You won't be able to attach a plate with 6 characters to one of these vehicles.

## 10. New licence label and certificate of registration

The agent will give you a new licence label when they give you your new plates. They'll also give you a new road user charges (RUC) label if applicable. We'll send a new certificate of registration to the current registered person after this transaction has been processed.

## 11. Additional information

For more information go to [www.nzta.govt.nz/vehicles](http://www.nzta.govt.nz/vehicles) or call us on 0800 108 809.
