Who should use this form?

Under section 30L of the Land Transport Act 1998, NZTA must be satisfied that anyone who will have, or is likely to have, control or involvement in the operation of the transport service is a fit and proper person, including a representative.

Anyone who has direct or indirect control of the management of the organisation must complete a copy of this form. This is so we can determine if they all meet the requirements of a fit and proper person. This includes your New Zealand representative if you're applying for a small passenger service licence.

Vetting

NZTA is legally obliged to ensure that holders of a transport service licence are 'fit and proper' people.

Some of the factors we may take into account when determining if you meet the fit and proper person criteria are:

- criminal conviction history, including charges or convictions relating to violent or sexual offences;
- drug or firearm offences, or offences involving organised criminal activity;
- any transport-related offending, especially offences related to safety;
- any history of behavioural problems;
- any past complaints about a transport service provided by the person;
- any history of persistent failure to pay fines for transport-related offences.

We may take into account any other relevant matter which we consider is in the public interest when determining your fitness to hold any licence.

There is a vetting fee for each person in control of the service. To check the fee go to www.nzta.govt.nz/tsl-fee
